UEFCON Upper Egypt for concentrates and juices was founded back in 2013 and earned a recognized position in the market with a wide range of products (tomato paste, sauces and condiments).

Established in New Minya governorate in Upper Egypt, which is located among the best tomato fields in the region. With a plant area of 22,000 square meters, the factory is equipped with the latest Italian production lines.

The company follows strict quality assurance and food safety standards to ensure the delivery of premium taste and superior quality to our customers.

We carefully select the finest ingredients for our products. This is how we maintain our promise of delivering premium-quality products that add amazing taste to any dish. Our products are used by fervent cooks in every kitchen and are recommended by the Egyptian Chefs Association. They will rejuvenate any dish as they are undeniably fabricated to be delicious and healthy.
